Price: \$3.75/lb Hanging Weight Plus Processing Cost.

Processing Cost Options:

(1) "Not for ReSale" - \$0.80/lb plus \$50.00 additional processor fees.

(2) USDA Inspected with weight on package: - \$0.88/lb plus \$75 additional processor fees.

Total Cost Option (1): $\$3.75 + \$0.80 = \$4.55/\text{lb} * 700 = \$3,185 + \$50$ additional fees = \$3,235 for the whole beef. A half would be \$1,617.50, and a quarter would be \$808.75.

Total Cost Option (2): $\$3.75 + \$0.88 = \$4.63/\text{lb} * 700 = \$3,241 + \$75$ additional fees = \$3,316 for the whole beef. A half would be \$1,658, and a quarter would be \$829.00.

Storage Space needed: Last year, one-quarter of the 699 lb hanging weight steer fit in a 152 Quart Igloo Cooler with internal dimensions of 37 inches X 13.5 inches. We anticipate this year's steers to be of similar weight. (We're beginning farmers and don't yet have scales, but their size looks comparable.)

CUT	DETAILS	DETAILS
K.C.s & Filets Yes or No* (T-bones not available as steers will be over 30 months old.)	How thick?***	How many per package?
Ribeye Steaks Yes or No*	How thick?***	How many per package?
Sirloin Steaks Yes or No*	How thick?***	How many per package?

*Will be included in Hamburger if cut is not desired.

**Cannot be made into hamburger therefore, at least one customer will receive these cuts. Or, they can be donated back to Spring Forest Farm for further distribution.

***A lot of folks like grass finished steaks 3/4" thick. One customer likes them 1" thick. And one likes 3/4" except they like filets at 1 1/2".
